RESIDENCE

Limitless comfort zone

PODIUM AREA

The podium area is designed to provide residents with maximum comfort and privacy. Landscape design plays an important role, organically uniting a relaxed outdoor style of living with the metropolis' high level of comfort. The space can be easily adapted to the goals and vibe of each resident.

GYM

Gym workouts are available indoors and outdoors.

SAUNA

An ideal place to relax after a busy day or a quality workout.

SWIMMING POOL

Outdoor swimming pool for children and adults with showers, poolside sun loungers, and cabanas

Smart Home System

The technology of the future is already here to make your home even more comfortable, safe, and cost-effective.

AIR CONDITIONING CONTROL:

- With this system, you can save on your utility bills for non-peak power (NPP) air conditioning.
- An adjustable motorized valve allows the air conditioner to provide cooling without using full power.
- The air conditioner works almost silently and has smooth adjustment.

ACCESS CONTROL

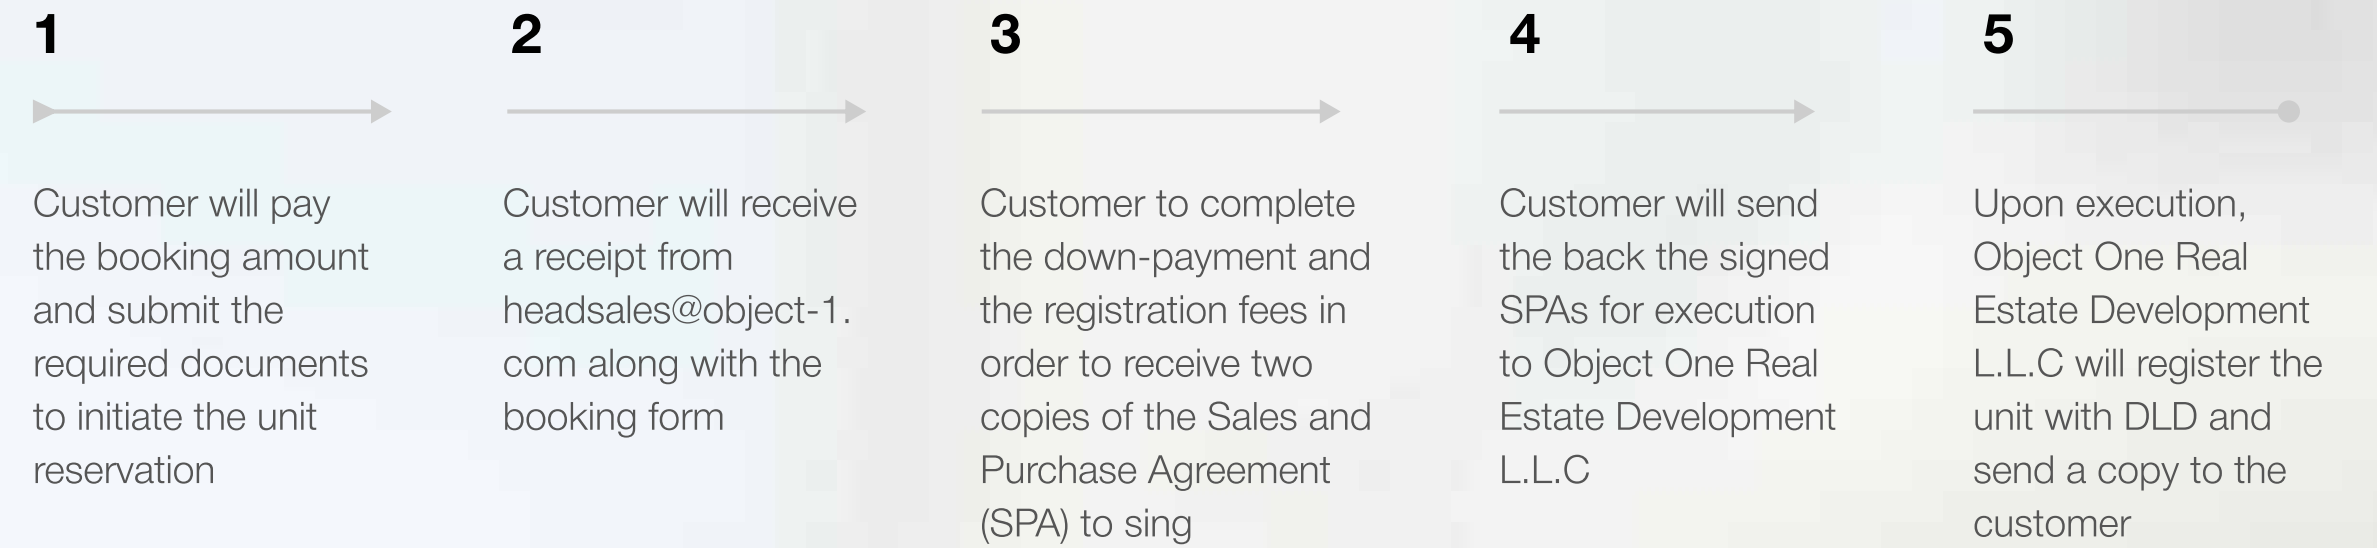

- The system includes an electronic lock for your apartment that can be accessed with a card, fingerprint, or key.
- Public spaces are also secured with electronic locks that can be accessed using a fingerprint or digital code.
- You can enjoy contactless entry to the parking lot with the R-fid chip.
