ARCH

Founded in 1999 by Marco Mangili, MMA Projects is a multidisciplinary, multicultural architecture and design firm based in Milan. Working internationally in a variety of sectors, from residential and retail to hospitality and commercial, its team is driven by passion and united in a quest for beauty and the pursuit of excellence.

Rooted in the finest Italian design traditions, it avows a love of the handcrafted and tailor-made. Particular emphasis is placed on the use of natural materials due to their tactile qualities and their ability to endow a building with a sense of soul. The result? Projects that fuse functionality and poetry, technical prowess and aesthetic refinement. A unique vision in which forms are reduced to their essence, color palettes are subtle and muted, and harmony and balance are the ultimate aim.

Interior Design

Ana Moussinet is a Paris-based designer with acknowledged expertise in the luxury hospitality sector. She has worked on high-end commissions in Europe, the Middle East and Africa, making her mark with dynamic, versatile spaces, which inspire both a sense of wonder and a feeling of well-being. She aims to go beyond the functions in order to free the imagination.

Her multinational background gives her a heightened sensitivity to other cultures, allowing her to bestow each project with a sense of place. She also brings to them an unmistakable French elegance and savoir-faire, as well as an acute attention to detail and a love of fine materials. Adept at working on different scales, she offers an in-house furniture design service and places particular importance on relating each of her interiors to their architectural context.
