

SQUAREX
RESIDENCE

The image is a full-page architectural rendering. On the left, a tall, modern building is shown in detail, featuring multiple floors with balconies that have blue glass railings and are planted with green trees and shrubs. The building's facade is a mix of white panels and dark, vertical slats. In the background, a dense urban skyline with various skyscrapers is visible under a bright blue sky with soft, white clouds. In the foreground, there is a landscaped area with palm trees, other tropical plants, and a few cars on a road. The overall style is clean and contemporary, typical of modern architectural visualization.
